## **GENERAL PRINCIPLES**

1. The procedures set forth herein are intended to govern the administration of the settlement agreements entered into in the Canadian Automotive Wire Harness Systems price-fixing class actions (the “Settlement Agreements”).<sup>1</sup>
2. The administration shall:
  - (a) implement and conform to the Settlement Agreements, orders of the Courts and this Distribution Protocol;
  - (b) employ secure, paperless, web-based systems with electronic registration and record-keeping wherever possible; and
  - (c) rely on the National Brands Data wherever economically feasible.
3. Settlement Class Members seeking compensation must disclose and give credit for any compensation received through other proceedings or private out-of-class settlements in relation to their purchases of Affected Vehicles, unless by such proceedings or private out-of-class settlements the Settlement Class Member’s claim was released in its entirety, in which case the Settlement Class Member shall be deemed ineligible for any further compensation.

## **DEFINITIONS**

4. The definitions set out in the Settlement Agreements apply to and are incorporated herein. Where a term is defined in both the Settlement Agreements and in this Distribution Protocol, the definition in this Distribution Protocol shall govern.

---

<sup>1</sup> The Settlement Agreements are available online at [www.siskinds.com/autoparts](http://www.siskinds.com/autoparts).

5. For the purpose of this Distribution Protocol, the following definitions apply, as well as those stated in paragraph 10:

- (a) ***Affected Vehicle*** means new passenger cars, sport utility vehicles, vans, and light trucks (up to 10,000 lbs) purchased and/or leased between January 1, 1999 and November 30, 2014 under the following brands: Honda/Acura, Nissan/Infiniti, Toyota/Lexus, Subaru, and new Pontiac Vibe purchased and/or leased between January 1, 1999 and November 30, 2014.
- (b) ***Affected Vehicle Purchases*** means the total value assigned to a Settlement Class Member's purchases and/or leases of Affected Vehicles, as calculated pursuant to paragraphs 12-20.
- (c) ***Claim*** means the electronic or paper form that a Settlement Class Member must complete and submit before the Claims Filing Deadline in order to be considered for settlement benefits under this Distribution Protocol.
- (d) ***Claims Filing Deadline*** means the date by which Claims (and any required supporting documentation) must be electronically submitted in order for Settlement Class Members to be considered for settlement benefits under this Distribution Protocol, which date shall be four (4) months after the first publication of the notice advising Settlement Class Members of the claims process.
- (e) ***Decision Notice*** shall have the meaning attributed to it in paragraph 44.
- (f) ***National Brands*** means General Motors of Canada Company (in respect of the Pontiac Vibe), Honda Canada Inc., Nissan Canada Inc., Subaru Canada, Inc., and Toyota Canada Inc.

- (g) **National Brands Data** means the information provided by the National Brands in accordance with paragraph 32 below.
- (h) **Net Settlement Funds** means the aggregate of the Settlement Amounts recovered pursuant to the Settlement Agreements, plus accrued interest, less:
  - (i) Class Counsel Fees as approved by the Courts;
  - (ii) Administration Expenses;
  - (iii) taxes accruable with respect to the income earned on the settlement funds prior to distribution (including interest and penalties);
  - (iv) the *cy pres* payment provided for in paragraph 6;
  - (v) any compensation provided to the National Brands pursuant to paragraph 33; and
  - (vi) any other deductions approved by the Courts.
- (i) **Settlement Agreements** has the meaning attributed to it in paragraph 1.
- (j) **Settlement Class Members** means all persons in Canada who purchased and/or leased an Affected Vehicle. The following persons are excluded:
  - (i) the Defendants and their respective parents, subsidiaries, affiliates, officers and directors; and
  - (ii) persons who validly and timely opted out of the proceedings.

## DISTRIBUTION OF SETTLEMENT FUNDS

### *Cy Pres* Payment

6. Subject to paragraph 7, indirect compensation in the amount of \$250,000 will be provided for the benefit of those Settlement Class Members who are not eligible for direct payment through equal *cy pres* payments to the following organizations:
  - (a) Automobile Protection Association;
  - (b) London Community Foundation; and
  - (c) Pro Bono Canada.
7. The *cy pres* payments shall be less any amounts payable to the Fonds d'aide aux actions collectives, pursuant to section 42 of the *Act respecting the Fonds d'aide aux actions collectives*, CQLR c. F-3.2.0.1.1 and calculated in accordance with Article 1. (2°) of the *Regulation respecting the percentage withheld by the Fonds d'aide aux actions collectives*, R.S.Q. c. F-3.2.0.1.1, r. 2. For the purposes of calculating the amount payable to the Fonds d'aide aux actions collectives, 23.6%<sup>2</sup> of the *cy pres* payment will be notionally allocated to Quebec.
8. To be eligible to receive the monies under this distribution protocol, the *cy pres* recipient must:
  - (a) use the monies for the purposes outlined in the recipient's proposal submitted to Siskinds LLP and approved by the Courts; and

---

<sup>2</sup> 23.6% represents that portion of the Canadian population that resides in Quebec based on information from Statistics Canada's website.

- (b) report to the Claims Administrator on an annual basis until all funds are exhausted on how the monies have been used.

9. Subject to the consent of Class Counsel, all funds shall be used up within two years of receipt.

#### **Categorization of Settlement Class Members**

10. Settlement Class Members will be categorized into the following purchaser groups based on their position in the distribution chain:

- (a) **National Brand Importers** means General Motors of Canada Company (in respect of the Pontiac Vibe), Nissan Canada Inc., and Subaru Canada, Inc.;
- (b) **Dealer** means a Settlement Class Member who purchased Affected Vehicles from the National Brands or a subsidiary thereof, for resale to Individual End Users or Commercial End Users;
- (c) **Individual End User** means a Settlement Class Member who purchased or leased an Affected Vehicle for their own individual use and not for commercial resale; and
- (d) **Commercial End User** means a Settlement Class Member who purchased or leased an Affected Vehicle for its own commercial use and not for commercial resale.

#### **Calculation of Payments**

11. The Net Settlement Funds will be distributed to qualifying Settlement Class Members *pro rata* (or proportionally) based on the value of the qualifying Settlement Class Member's Affected Vehicle Purchases as against the value of all qualifying Settlement Class Members' Affected Vehicle Purchases.

12. For the purposes of the *pro rata* distribution, Affected Vehicle Purchases will be calculated based on:

- (a) the purchase price of the Affected Vehicle (see paragraphs 13-18);
- (b) the timing of the Affected Vehicle purchase or lease (see paragraph 19); and
- (c) the categorization of the Settlement Class Member (see paragraph 20).

(a) The Purchase Price of the Affected Vehicle

*Individual End User*

13. Where a Settlement Class Member is an Individual End User, the purchase price of the Affected Vehicle Purchases shall be calculated as follows:

- (a) purchases (including through a buy-out of a lease), shall be calculated based on the MSRP of the Affected Vehicle; and
- (b) leases not subsequently purchased, shall be calculated based on:
  - (i) 20% of the MSRP for year one of the lease; and
  - (ii) 10% of the MSRP for each subsequent year of the lease.

*Commercial End User*

14. Where a Settlement Class Member is a Commercial End User, the purchase price of the Affected Vehicle Purchases shall be calculated as follows:

- (a) for purchases and/or leases that are disclosed in the National Brands Data and/or additional purchases and/or leases of up to fifteen (15) Affected Vehicles:

- (i) purchases (including through a buy-out of a lease), shall be calculated based on the MSRP of the Affected Vehicle; and
- (ii) leases not subsequently purchased, shall be calculated based on:
  - (A) 20% of the MSRP for year one of the lease; and
  - (B) 10% of the MSRP for each subsequent year of the lease.
- (b) for purchases and/or leases of more than fifteen (15) Affected Vehicles not disclosed in the National Brands Data, the purchase price or aggregate lease payments of the Affected Vehicle Purchases shall be calculated based on the information provided by the Commercial End User as part of the Claims process (including in response to any audit).

*Dealer*

15. Where a Settlement Class Member is a Dealer:

- (a) for purchases and/or leases of Affected Vehicles that are disclosed in the National Brands Data, purchases (including through a buy-out of a lease), shall be calculated based on the MSRP of the Affected Vehicle less 10%; and
- (b) for purchases and/or leases of Affected Vehicles that are not disclosed in the National Brands Data, the purchase price or aggregate lease payments of the Affected Vehicle Purchases shall be calculated based on the information provided by the Dealer as part of the Claims process (including in response to any audit).

*National Brand Importers*

16. Where a Settlement Class Member is a National Brand Importer, the purchase price of the Affected Vehicle Purchases shall be calculated based on the information provided by the National Brand Importer as part of the Claims process (including in response to any audit).
17. For the purposes of paragraph 13, 14(a) and 15(a), the MSRP of each Affected Vehicle will be calculated by averaging the MSRP of all trim levels of that Affected Vehicle during the model year.
18. For the purposes of paragraph 14(b), 15(b) and 16, the purchase price or aggregate lease payments shall be calculated based on the purchase price, less any taxes, discounts, rebates, delivery or shipping charges, and for leases, less 5% to account for financing costs built into the lease payments and/or buy-out amount.

(b) The Timing of the Affected Vehicle Purchase or Lease

19. For the purposes of calculating Affected Vehicle Purchases, the following values will be applied in order to account for the timing of the purchase:
  - (a) purchases or leases entered into between January 1, 1999 and February 28, 2010 will be valued at 100%; and
  - (b) purchases or leases entered into between March 1, 2010 and November 30, 2014 will be discounted by 50%.<sup>3</sup>

---

<sup>3</sup> Where a Settlement Class Member purchased Affected Vehicles in 2010 and the Claims Administrator is not easily able to determine based on the information provided by the National Brands and/or the Settlement Class Member when during 2010 a purchase was made, the purchases will be allocated prorata as between January and February, and the remainder of the year.

(c) The Categorization of the Settlement Class Member

20. For the purposes of calculating Affected Vehicle Purchases, the following values will be applied in order to account for the capacity in which the Affected Vehicle was purchased:

- (a) purchases or leases by a National Brand Importer will be valued at 7.5%;
- (b) purchases or leases by a Dealer will be valued at 25%; and
- (c) purchases or leases by an End User will be valued at 67.5%.

**Sample Calculation**

21. If an End User purchased Affected Vehicles with purchase prices totaling \$50,000 between January 1, 1999 and February 28, 2010, and \$75,000 between March 1, 2010 and November 30, 2014, its Affected Vehicle Purchases for the purposes of determining its *pro rata* share of the Net Settlement Funds would be calculated as follows:

$\$50,000$  (representing the purchase price)  $\times$  1 (representing the timing of the purchase or lease)  $\times$  0.675 (representing the categorization of the Settlement Class Member as an End User) = \$33,750

Plus

$\$75,000$  (representing the purchase price)  $\times$  0.5 (representing the timing of the purchase or lease)  $\times$  0.675 (representing the categorization of the Settlement Class Member as an End User) = \$25,312.50

22. Assuming the value of all qualifying Settlement Class Members' Affected Vehicle Purchases totalled \$10 million, this Settlement Class Member would be entitled to 0.59% ( $\$59,062.50/\$10$  million) of the Net Settlement Funds.

**Distribution**

23. In consultation with Class Counsel, the Claims Administrator can seek directions from the Ontario Court with respect to the distribution of the Net Settlement Funds to ensure a fair and cost effective distribution of the Net Settlement Funds.

24. Notwithstanding any other provision in this Distribution Protocol and subject to further order of the Ontario Court following the adjudication of all claims, all valid Claims will be assigned a minimum value of \$25. The \$25 valuation target is not an estimate of any damages suffered. It is a minimum administrative threshold designed to maintain a feasible economic and administrative platform for the settlement distribution. If the distribution occurs in conjunction with distributions in other automotive parts price-fixing class actions, the \$25 valuation shall be applied only after summing all relevant distributions. For example, if a Settlement Class Member is entitled to \$17 pursuant to the within Distribution Protocol and an additional \$6 pursuant to other distributions, the Settlement Class Member would receive a \$2 increase, for a total payment of \$25. If a Settlement Class Member is entitled to \$20 pursuant to the within Distribution Protocol and an additional \$7 pursuant to other distributions, the Settlement Class Member would not receive an increase and would receive a total payment of \$27.
25. To the extent that the full Net Settlement Funds are not paid out due to uncashed e-transfers or cheques, residual interest or otherwise, subject to further instructions of the Ontario Court, such monies shall be distributed equally to the organizations identified in paragraph 6, less any amounts payable to the Quebec Fonds d'aide aux actions collectives, as calculated pursuant to paragraph 7.

## **THE CLAIMS PROCESS**

### **The Claim**

26. Each Claim shall require the following:
- (a) The Settlement Class Member's contact information;

- (b) Where the Settlement Class Member did not receive a notice containing the National Brands Data or is claiming for purchases of Affected Vehicles in addition to those prepopulated in the online claim portal, the Settlement Class Member must provide purchase information in accordance with the following:
  - (i) for Individual End Users and Commercial End Users who are claiming for up to fifteen (15) additional purchases or leases of Affected Vehicles, a declaration specifying the make, model and year of each Affected Vehicle purchased or leased between January 1, 1999 and November 30, 2014.
  - (ii) for Commercial End Users who are claiming for more than fifteen (15) additional purchases, Dealers or National Brand Importers, a declaration of:
    - (A) the dollar value of the aggregate Affected Vehicle purchases (less any taxes, shipping, delivery charges, rebates, discounts, etc.); and/or
    - (B) the aggregate lease payments plus any buy-out amount (less any taxes, shipping, delivery charges, rebates, discounts, etc.);
- (c) information that will allow the Claims Administrator to determine whether the Settlement Class Member's purchases and/or leases of Affected Vehicles were in the capacity of a National Brand Importer, Dealer or an End User;
- (d) disclosure regarding whether the Settlement Class Member has received compensation through other proceedings or private out-of-class settlements in relation to its purchases and/or leases of Affected Vehicles, and/or whether the Settlement Class Member's claims in relation to its purchases and/or leases of

Affected Vehicles have been released, and details of the compensation received and the claims released;

- (e) authorization to the Claims Administrator to contact the Settlement Class Member or its representative, as the Claims Administrator deems appropriate, for more information and/or to audit the Claim;
  - (f) a declaration that the information submitted in the Claim is true and correct;
  - (g) if the Claim is submitted by a third-party on behalf of a Settlement Class Member (including a parent company claiming on behalf of a subsidiary or affiliate), the third-party must provide a signed statement from that Settlement Class Member at the time the Claim is filed authorizing the third-party to file the Claim on its behalf;
  - (h) an option for Settlement Class Members to consent to the Claims Administrator retaining the information provided in the Claim for the purpose of filing a future claim in other automotive parts class actions, including consent to receiving correspondence and/or notices relating to other automotive parts class actions by email or direct mail; and
  - (i) an option for Settlement Class Members to assign their settlement benefits in accordance with paragraph 55.
27. Where a Settlement Class Member has purchase records for Affected Vehicle purchases or leases for at least two years during the period between January 1, 1999 and November 30, 2014, the Settlement Class Member can use such records (alone or together with any National Brands Data) to extrapolate its Affected Vehicle purchases or leases for the remainder of the period between January 1, 1999 and November 30, 2014. If the Settlement

Class Member's Claim is audited pursuant to paragraphs 37 to 38, the Settlement Class Member must provide a sworn statement explaining the basis for and calculation of the extrapolation of purchases.

**Assistance in Filing a Claim**

28. Settlement Class Members can contact the Claims Administrator or Class Counsel, at no charge, with questions about how to complete a Claim.
29. Settlement Class Members may utilize third-party claims services, a lawyer of their own choosing, or similar services to file Claims. If a Settlement Class Member chooses to use a third-party claims service, a lawyer of their own choosing, or similar services, the Settlement Class Member will be responsible for any and all expenses incurred in doing so.

**The Online Claims Portal**

30. The Claims Administrator shall create an online claims portal that Settlement Class Members can access in order to file a Claim and shall provide the necessary administrative support to enable Settlement Class Members to do so.
31. The online claims portal shall contain fields that require the Settlement Class Member to provide all applicable information required as part of the Claim, in accordance with paragraph 26 above.

**National Brands Data**

32. Pursuant to orders of the Courts, to the extent reasonably available, the National Brands have provided or will be providing some or all of the following information to the Claims Administrator respecting their End Users' and Dealers' Affected Vehicle purchases: name,

address (including email address, if available), and a listing of the Affected Vehicles purchased and/or leased between January 1, 1999 and November 30, 2014.

33. The National Brands will be compensated for their reasonable time and expenses associated with collecting and providing National Brands Data, which compensation will be paid out of the Net Settlement Funds. Any disputes regarding the reasonableness of time or expenses shall be resolved by the Ontario Court.

#### **Claims Filing Process**

34. Settlement Class Members will be encouraged to complete and submit a Claim electronically using the online claims portal. Subject to paragraphs 35 and 42, or further order of the Ontario Court, Claims must be submitted to the online claims portal on or before the Claims Filing Deadline.
35. If an Individual End User does not have internet access or is otherwise unable to submit a Claim using the online claims portal, the Settlement Class Member can register over the telephone with the Claims Administrator and the Claims Administrator shall send the Settlement Class Member a hardcopy claim form by mail. Subject to paragraph 42 or further order of the Ontario Court, the completed and executed hardcopy Claim must be submitted to the Claims Administrator postmarked no later than the Claims Filing Deadline.
36. For Settlement Class Members whose name, address and purchase information is available in the National Brands Data, the following process shall be implemented:
  - (a) Where an email address is available or where only a mailing address is available and the Settlement Class Member purchased ten (10) or more Affected Vehicles (or

such other threshold(s) that Class Counsel and the Claims Administrator agree is economically feasible), the Claims Administrator shall provide the Settlement Class Member with a user name and password for the online claims portal and the information disclosed in the National Brands Data shall be pre-populated on the online claims portal. The Settlement Class Member shall be given an opportunity to claim in respect of additional purchases of Affected Vehicles.

- (b) Where a Settlement Class Member did not receive a notice pursuant to (a) above or is claiming for additional purchases of Affected Vehicles, the Claims Administrator shall attempt to substantiate any claimed purchases of Affected Vehicles using the National Brands Data. Where the Claims Administrator is able to substantiate the purchases, no further information is required and those purchases shall be approved for payment (provided the Settlement Class Member otherwise satisfies the eligibility requirements). Where the Claims Administrator is unable to substantiate the purchases, the audit process contained in paragraphs 37 to 40 shall apply.

#### **Audits**

- 37. Where a Settlement Class Member's purchases and/or leases of Affected Vehicles are not substantiated by the National Brands Data, the Claims Administrator shall audit:
  - (a) a random selection of at least 10% of Claims; and
  - (b) Claims representing the top 20% of Claims (by value of Affected Vehicle Purchases).
- 38. At its sole discretion, the Claims Administrator can elect to audit any other Claim.

39. The Claims Administrator shall notify the Settlement Class Member that the Settlement Class Member's Claim is the subject of an audit and the requirement to provide documentary proof:
- (a) For Settlement Class Members who purchased and/or leased up to fifteen (15) Affected Vehicles not substantiated by the National Brands Data, documentary proof might include invoices, receipts, original purchase or lease records, insurance documentation, government vehicle identification history documentation, historical accounting records or comparable verification that is acceptable to the Claims Administrator.
  - (b) For Settlement Class Members who purchased and/or leased more than fifteen (15) Affected Vehicles not substantiated by the National Brands Data, documentary proof might include invoices, receipts, original purchase or lease records, purchase summaries provided by a National Brand, historical accounting records or comparable verification that is acceptable to the Claims Administrator.
40. The Claims Administrator shall allow the Settlement Class Member thirty (30) days from the date of such notice to provide documentary proof. If documentary proof is not provided within the thirty (30) day period, the Claims Administrator shall reject the Claim.

**Deficiencies**

41. If, during claims processing, the Claims Administrator finds that deficiencies exist in a Claim or other information is required, the Claims Administrator shall notify the Settlement Class Member of the deficiencies. The Claims Administrator shall allow the Settlement Class Member thirty (30) days from the date of such notice to correct the deficiencies. If

the deficiencies are not corrected within the thirty (30) day period, depending on the nature of the deficiency, the Claims Administrator may reject the Claim.

**Adjustments to Claims Process and Extension of the Claims Filing Deadline**

42. By agreement between the Claims Administrator and Class Counsel:

- (a) the Claims Filing Deadline may be extended; and
- (b) the Claims Administrator may adjust the Claims process with respect to the use of the National Brands Data, deficiencies and/or audits.

Class Counsel and the Claims Administrator shall agree to extend the Claims Filing Deadline and/or adjust the Claims process if, in their opinions, doing so will further the fair and efficient administration of the Net Settlement Funds and it is in the best interests of the Settlement Class Members to do so.

**Claims Administrator's Decision**

43. In respect of each Settlement Class Member who has filed a Claim in accordance with this Distribution Protocol, the Claims Administrator shall:

- (a) decide whether the Settlement Class Member is eligible to receive settlement benefits payable out of the Net Settlement Funds in accordance with the Settlement Agreements, orders of the Courts and this Distribution Protocol;
- (b) classify the Settlement Class Member's Affected Vehicle Purchases as being made by a National Brand Importer, Dealer or End User; and

- (c) make a determination of the Affected Vehicle Purchases in respect of which the Settlement Class Member is entitled to settlement benefits in accordance with the Settlement Agreements, orders of the Courts and this Distribution Protocol.
44. The Claims Administrator shall send to the Settlement Class Member a decision as to: (i) the approval or rejection of the Claim; (ii) the classification of purchases as being made in the capacity of a National Brand Importer, Dealer or End User; and (iii) the determination of the Affected Vehicle Purchases (the "Decision Notice"). Where the Claims Administrator has rejected all or part of the Claim or re-classified the Settlement Class Member's purchases, the Claims Administrator shall include in the Decision Notice its grounds for doing so.
45. The Claims Administrator's decision will be binding upon the Settlement Class Member, subject to the Settlement Class Member's limited right to appeal, as outlined in paragraphs 46 to 52.

**Appeal of the Claims Administrator's Decision**

46. The right to appeal is limited to circumstances where the dispute as to the value of the Affected Vehicle Purchases is equal to or greater than \$1,000,000.
47. Appeals must be submitted within thirty (30) days from the date of the Decision Notice.
48. Appeals will be determined by the Ontario Court or a third party designated by the Ontario Court.
49. Appeals will be on the basis of written submissions, supported by the documentation provided to the Claims Administrator by the Settlement Class Member as part of the claims process. Settlement Class Members are not permitted to provide any new documentation

as part of the appeal. Any new documentation provided as part of the appeal will not be provided to the Ontario Court or its designee for consideration.

50. The Claims Administrator must provide to the Ontario Court a copy of the documentation provided by the Settlement Class Member in response to requests for additional information, the Decision Notice, and any other information that might be reasonably useful in the determination of the appeal, and make written submissions to the Ontario Court or its designee as is reasonably necessary.

- 
51. Notwithstanding the foregoing, the Ontario Court or its designee, acting in its sole discretion, can request oral submissions (to be provided via teleconference or videoconference, as requested by the Ontario Court or its designee) from the Settlement Class Member and/or Claims Administrator.

52. The decision on the appeal is final and binding and shall not be subject to any further appeal or review whatsoever.

#### **Payment of Claims**

53. As soon as practicable after the claims evaluations and any appeals are completed, the Claims Administrator shall:

(a) report to Class Counsel the particulars of the proposed distribution to each eligible Settlement Class Member; and

(b) make arrangements to pay approved Claims.

# DISTRIBUTION OF SETTLEMENT FUNDS IN CANADIAN AUTOMOTIVE WIRE HARNESS SYSTEMS PRICE-FIXING CLASS ACTIONS

Did you purchase or lease a new automotive vehicle in Canada between January 1, 1999 and November 30, 2014 of the following brands: Honda/Acura, Nissan/Infiniti, Toyota/Lexus, Subaru, and/or Pontiac Vibe? If so, apply now to receive money from class action settlements.

**No wrongdoing is alleged against Honda, Nissan, Toyota, Subaru and General Motors. They are not defendants in the class actions. The class actions were brought against automotive wire harness systems manufacturers who allegedly price-fixed those products. Honda, Nissan, Toyota, Subaru and General Motors were unaware of alleged price-fixing in respect of the automotive wire harness systems they purchased for installation in their automotive vehicles.**

## WHAT IS THIS CLASS ACTION ABOUT?

Class action lawsuits were commenced in Ontario, British Columbia and Quebec alleging that automotive parts manufacturers conspired to fix the price of automotive wire harness systems. No wrongdoing was alleged as against Honda, Nissan, Toyota, Subaru and General Motors.

Settlements totalling approximately CDN\$25.5 million were reached. The aggregate settlement funds, plus accrued interest, less court-approved legal fees and expenses, and applicable taxes, are available for compensation to settlement class members. The settlements were approved by the courts in Ontario, British Columbia and Quebec. The settlements are a compromise of disputed claims and are not an admission of liability.

## AM I ELIGIBLE TO RECEIVE MONEY?

You are eligible to receive money if, between January 1, 1999 and November 30, 2014, you purchased and/or leased a new passenger car, sport utility vehicle, van or light truck (up to 10,000 lbs) sold under the following brands: Honda/Acura, Nissan/Infiniti, Toyota/Lexus, Subaru, and/or Pontiac Vibe (the "Affected Vehicles").

These brands unknowingly installed allegedly price-fixed automotive wire harnesses in their automotive vehicles.

## HOW MUCH MONEY WILL I RECEIVE?

Payments will be distributed on a proportional basis, based on the value of your claim relative to the value of all approved claims. The value of your claim for the purpose of determining your share of the settlement funds will be calculated based on: (i) the purchase price of the Affected Vehicle; (ii) when you purchased or leased the Affected Vehicle; and (iii) the categorization of the Settlement Class Member. See [www.autopartsettlement.ca](http://www.autopartsettlement.ca) for more information.

## DO I NEED PROOF OF PURCHASE?

You may be able to rely on sales records provided by Honda, Nissan, Toyota, Subaru and General Motors to establish your purchases. These entities were authorized or compelled by court order to disclose their sales records for the benefit of class members. See FAQ #x online at [www.autopartsettlement.ca](http://www.autopartsettlement.ca) for more information.

For purchases not disclosed in those sales records, you may be required to provide purchase records.

If you are an automotive dealer of General Motors, Honda/Acura, Nissan/Infiniti, Toyota/Lexus or Subaru vehicles, you should preserve your customer purchase records (specifically, customer name and purchase price information) of vehicles sold between January 1995 and December 2016 until further notice.

## HOW DO I APPLY FOR A PAYMENT?

Apply for payments using the online claims process at [www.autopartsettlement.ca](http://www.autopartsettlement.ca). If you do not have internet access, call the claims administrator at 1-866-474-4331. It does not cost anything to apply to receive a payment. Counsel fees will be paid out of the settlement funds.

## WHAT IS THE APPLICATION DEADLINE?

Applications must be made no later than ☐.

## WHEN WILL I RECEIVE MY MONEY?

Accurate processing takes time. Depending on the number of applications filed, it could be up to one year before you receive compensation. Please check [www.autopartsettlement.ca](http://www.autopartsettlement.ca) for regular updates.

## PROPOSED DISTRIBUTION IN OTHER AUTO PARTS ACTIONS

Class action lawsuits have been commenced in Ontario, British Columbia and/or Quebec alleging that automotive part manufacturers conspired to fix prices of air flow meters, electronic control units, fan motors, fuel senders, power window motors and windshield washer systems. Settlements have now been reached in those actions with all defendants, subject to the approval of the Ontario, British Columbia and/or Quebec courts.

As part of the settlement approval hearing, the Ontario, British Columbia and/or Quebec courts will also be asked to approve a protocol for the distribution of the settlement funds (plus interest and less court-approved fees and disbursements). Eligibility will be determined based on the information provided pursuant to the automotive wire harness systems Distribution Protocol.

For more information, please review the Notice of Settlement Approval Hearing at [www.classaction.ca/autoparts](http://www.classaction.ca/autoparts).

**CANADIAN AUTOMOTIVE WIRE HARNESS SYSTEMS PRICE-FIXING CLASS ACTIONS  
NOTICE OF CLAIMS PROCESS**

**PLEASE READ THIS NOTICE CAREFULLY.  
IT MAY AFFECT YOUR LEGAL RIGHTS.**

**APPLICATION DEADLINE: ●**

Settlement Class Members who wish to apply for compensation from the settlement funds should submit their application by this date.

**A. WHO IS AFFECTED BY THIS NOTICE?**

This notice applies to all persons in Canada who between January 1, 1999 and November 30, 2014 purchased and/or leased an automotive vehicle in Canada and/or for import into Canada under the following brands: Honda/Acura, Nissan/Infiniti, Toyota/Lexus, Subaru, and/or Pontiac Vibe.

Automotive parts manufacturers named as defendants in the class actions and certain parties related to the defendants are excluded from the settlement class.

**B. WHAT IS THE CLASS ACTION ABOUT?**

The class actions were brought against Automotive Wire Harness Systems manufacturers who allegedly price-fixed those products.

**No wrongdoing is alleged as against Honda, Nissan, Toyota, Subaru and General Motors. They are not defendants in the class actions. Honda, Nissan, Toyota, Subaru and General Motors were unaware of alleged price-fixing in respect of the Automotive Wire Harness Systems they purchased for installation in their automotive vehicles.**

Class action lawsuits have been commenced in Ontario, British Columbia and Quebec alleging that automotive part manufacturers conspired to fix prices of Automotive Wire Harness Systems (collectively, the "Automotive Wire Harness Systems Proceedings"). An Automotive Wire Harness System is an electrical distribution system used to direct and control electronic components, wiring, and circuit boards.

This notice also addresses the proposed distribution of settlement funds in class actions relating to the alleged price-fixing of Air Flow Meters, Electronic Control Units, Fan Motors, Fuel Senders, Power Window Motors and Windshield Washer Systems. See section G below for more information.

**C. COURT APPROVED SETTLEMENTS**

Settlements have been reached in the Automotive Wire Harness Systems Proceedings with the following Defendants:

<b>Settled Defendant(s)</b>	<b>Settlement Amount</b>
Lear Corporation and Kyungshin-Lear Sales and Engineering, LLC ("Lear")	\$612,500
Yazaki Corporation and Yazaki North America, Inc. ("Yazaki")	\$10,400,000
Chiyoda Mfg. Co. Ltd. and Chiyoda USA Corporation ("Chiyoda")	\$75,000
Fujikura Ltd., Fujikura America Inc., and Fujikura Automotive America LLC ("Fujikura")	\$1,083,280
Furukawa Electric Co., Ltd. and American Furukawa, Inc. ("Furukawa")	\$2,300,000
Sumitomo Electric Industries, Ltd., SEWS Canada Ltd., Sumitomo Wiring Systems, Ltd., Sumitomo Electric Wiring Systems, Inc., Sumitomo Wiring Systems (U.S.A.), Inc., K & S Wiring Systems Inc. and Sumitomo Electric Wintec America, Inc. ("Sumitomo")	\$10,700,000
G.S. Electech, Inc., G.S.W. Manufacturing Inc., and G.S. Wiring Systems Inc. ("G.S. Electech")	\$120,000
Leoni AG, Leoni Kabel GmbH, Leoni Wiring Systems, Inc., Leonische Holding, Inc., Leoni Wire Inc., Leoni Elocab Ltd. and Leoni Bordnetz-Systeme GmbH ("Leoni")	\$250,000
Yazaki Systems Technologies GmbH (formerly S-Y Systems Technologies Europe, GmbH) ("S-Y Systems")	\$50,000
<b>Total</b>	<b>\$25,590,780</b>

The settlements were approved by the Ontario, British Columbia and Quebec Courts and the Automotive Wire Harness Systems Proceedings were certified against the settling defendants for settlement purposes. The settling defendants do not admit, and expressly deny, any wrongdoing or liability.

The Yazaki, Chiyoda, Fujikura, Furukawa, Sumitomo, G.S. Electech, Leoni, and S-Y Systems settlement amounts (less court approved counsel fees, disbursements and notice costs) are being held in an interest-bearing account for the benefit of settlement class members. The Lear settlements funds were used to fund out-of-pocket costs incurred by class counsel in the litigation.

#### **D. DISTRIBUTION OF SETTLEMENT FUNDS**

The aggregate settlement amounts, plus interest and less court-approved legal fees and deductions (the "Net Settlement Amount"), are available for compensation to settlement class members. The Net Settlement Amount equals approximately \$● million.

The Ontario, British Columbia and Quebec Courts approved a protocol for distributing the Net Settlement Amount. A copy of the Distribution Protocol is available at [www.autopartsettlement.ca](http://www.autopartsettlement.ca).

The Distribution Protocol is designed to compensate purchasers of automotive vehicles containing Automotive Wire Harness Systems in a manner that best reflects the anticipated impact of the alleged price-fixing. In consultation with Class Counsel, the Claims Administrator can seek directions from the Ontario Court with respect to the distribution to ensure a fair and cost effective distribution.

For the purpose of the Distribution Protocol, "Affected Vehicle" means new passenger cars, sport utility vehicles, vans, and light trucks (up to 10,000 lbs) purchased and/or leased between January 1, 1999 and November 30, 2014 under the following brands: Honda/Acura, Nissan/Infiniti, Toyota/Lexus, Subaru, and new Pontiac Vibe purchased and/or leased between January 1, 1999 and November 30, 2014. **As noted above, no wrongdoing is alleged as against these entities and they are not defendants in the class actions.**

Subject to further order of the Ontario Court, the settlement funds will be distributed *pro rata* (proportional) based on the value of your claim relative to the value of all approved claims. The value of your claim will depend on:

- (a) The purchase price of the Affected Vehicle: Purchase price will be primarily based on the manufacturer's suggested retail price ("MSRP"). For leased vehicles, the purchase price will be based on a portion of the MSRP depending on the duration of the lease. In certain circumstances, the purchase price will be determined based on information provided by the Settlement Class Member as part of the claims process.
- (b) The timing of the Affected Vehicle purchase or lease: Purchases and leases between March 1, 2010 and November 30, 2014 will be discounted by 50% to reflect the additional litigation risks associated with proving damages during this period.
- (c) The categorization of the Settlement Class Member: Settlement class members will be categorized as follows:
  - (i) *National Brand Importers* means GM Motors (in respect of the Pontiac Vibe), Nissan Canada, and Subaru Canada. National Brand Importers' purchases or leases will be valued at 7.5% of the purchase price.
  - (ii) *Dealer* means a Settlement Class Member who purchased Affected Vehicles from a National Brand Importer, Honda Canada, Toyota Canada or a subsidiary thereof, for resale to End Users. Dealer's purchases or leases will be valued at 25% of the purchase price.
  - (iii) *End User* means a Settlement Class Member who purchased or leased an Affected Vehicle for its own use and not for commercial resale. End Users' purchases or leases will be valued at 67.5% of the purchase price.

#### **Sample Calculation:**

If an End User purchased Affected Vehicles with purchase prices totaling \$50,000 between January 1, 1999 and February 28, 2010, and \$75,000 between March 1, 2010 and November 30, 2014, its claim value for the purposes of determining its *pro rata* share of the net settlement funds would be calculated as follows:

$\$50,000$  (representing the purchase price)  $\times 1$  (representing the timing of the purchase or lease)  
 $\times 0.675$  (representing the categorization of the settlement class member as an End User) =  
 $\$33,750$

Plus

$\$75,000$  (representing the purchase price)  $\times 0.5$  (representing the timing of the purchase or lease)  
 $\times 0.675$  (representing the categorization of the Settlement Class Member as an End User) =  
 $\$25,312.50$

Assuming the value of all qualifying Settlement Class Members' claims totalled \$10 billion, this Settlement Class Member would be entitled to 0.0000059% (\$59,062.50/\$10 billion) of the net settlement funds.

Notwithstanding the foregoing, subject to further order of the Ontario Court following the adjudication of all claims, all valid claims will be assigned a minimum value of \$25. This minimum applies after totalling any entitlements pursuant to the Distribution Protocol and any other auto parts distributions that occur in conjunction with the within distribution. For example, if a Settlement Class Member is entitled to \$17 pursuant to the Distribution Protocol and an additional \$6 pursuant to any other auto parts distributions that occur in conjunction with the within distribution, the Settlement Class Member would receive a \$2 increase, for a total payment of \$25.

Recognizing that not all Settlement Class Members are eligible for a direct payment, a *cy pres* payment in the amount of \$250,000<sup>1</sup> will be made to the following non-profit organizations in equal shares:

- Automobile Protection Association
- London Community Foundation – as a national grant coordinator
- Pro Bono Canada

#### **E. APPLYING TO RECEIVE A PAYMENT**

Settlement Class Members who wish to apply for compensation under the settlements must apply no later than ●. Claims that are not made within the deadline may not be eligible for compensation. Applications for settlement benefits must be submitted via the online claim form available at [www.autopartsettlement.ca](http://www.autopartsettlement.ca). If you do not have internet access, but wish to apply for settlement benefits, please contact the claims administrator at 1-866-474-4331.

#### Instructions

This Claim Form is for all persons who between January 1, 1999 and November 30, 2014 purchased and/or leased an Affected Vehicle in Canada for their own use and not commercial resale.

Affected Vehicle means new passenger cars, sport utility vehicles, vans, and light trucks (up to 10,000 lbs) purchased and/or leased between January 1, 1999 and November 30, 2014 under the following brands: Honda/Acura, Nissan/Infiniti, Toyota/Lexus, Subaru, and new Pontiac Vibes purchased and/or leased between January 1, 1999 and November 30, 2014.

**No wrongdoing is alleged against Honda, Nissan, Toyota, Subaru and General Motors (the "National Brands"). The National Brands are not defendants in the class actions. The class actions were brought against Automotive Wire Harness Systems manufacturers who allegedly price-fixed those products. The National Brands unknowingly installed the allegedly price-fixed Automotive Wire Harness Systems in the Affected Vehicles.**

More information about the settlements and the calculation of settlement benefits is available in the Claims Notice. A copy of the Claims Notice is available from the Claims Administrator by calling 1-866-474-4331.

In addition to the Automotive Wire Harness Systems class actions, class action lawsuits have been commenced in Ontario, British Columbia and/or Quebec alleging that automotive part manufacturers conspired to fix prices of Air Flow Meters, Electronic Control Units, Fan Motors, Fuel Senders, Power Window Motors and Windshield Washer Systems. Settlements have now been reached in those actions with all defendants. These settlements are subject to the approval of the Ontario, British Columbia and/or Quebec Courts, and as part of the settlement approval process, the Ontario, British Columbia and/or Quebec Courts will be asked to approve a protocol for the distribution of the settlement funds (plus interest and less court-approved fees, disbursements and administrative costs).

Eligibility for receipt of settlement funds will be determined based on the information provided with this Claim Form.

If you have questions about the Claim Form, contact the Claims Administrator free of charge at 1-866-474-4331. Please advise the Claims Administrator of any changes in name, address, or phone number. The Claims Administrator might contact you for additional information. Please keep copies of all relevant records.

Please complete all applicable sections. Please type or print in black or blue ink. Do not use red ink or pencil.

**Privacy Statement:** All information provided as part of this Claim Form is collected, used, and retained by the Claims Administrator, Class Counsel and their agents pursuant to the *Personal Information Protection and Electronic Documents Act*, SC 2000 c 5, for the purposes of administering the Canadian Automotive Wire Harness Systems Price-Fixing Class Action and the class actions listed above if approved by the Courts, including evaluating your eligibility status under the Settlement Agreements and Distribution Protocol. No wrongdoing is alleged against these companies. These companies unknowingly installed allegedly price-fixed Automotive Wire Harnesses Systems in their automotive vehicles.**

### SECTION III: ASSIGNMENT OF BENEFITS

You can elect to assign your settlement benefits to Canadian charitable foundations or initiatives created or supported by the National Brands, which provided customer information to the Claims Administrator to assist in the distribution of the settlement funds.
